

COSMETOLOGY

Barbering-Nail Technology

A career in Cosmetology is right at your fingertips! You can become a cosmetologist, barber, nail technician or even open your own salon! With the skills you will develop at the Snow College School of Cosmetology you will have everything you need to excel in your career. A quality education provided by instructors with real-world experience where you will learn the latest trends, and train with top quality salon products that will help you go above and beyond what you need to find success. The Snow College experience is far more than simply

classroom instruction. You can get experience in the campus salon, participate in the highly anticipated fall runway show, and participate in service opportunities like holiday visits to the local senior care center to provide salon services to residents. Snow College is far more than a cosmetology program; it is a stepping stone to your goals and an opportunity to find your potential.

You can begin working towards your cosmetology career Fall, Spring or Summer semesters, you decide!

YOU CAN COMPLETE YOUR EDUCATION AND BE ON YOUR WAY TO A COSMETOLOGY CAREER IN NO TIME!
